Good Morning, Hawks! I hope you are feeling ok after the I-Ready test yesterday. We'll have one more reading test next week and then we'll have two days of Math tests later in the month.

Today's schedule is

Hawks Nest	8:00
1st period	10:15
3rd period	12:20

On this day in 1850, Isaac Ebey became the first permanent U.S. settler on Whidbey Island.

Happy Birthday to Ethan Hicks!

Those are your announcements ...

Have a great day, Hawks!
