Good morning Anacortes Middle School. Today is Wednesday, March 25th. I hope this morning's announcement finds you all doing well!

We are in our 3rd day of teacher communication via Schoology, Google Classroom, Skyward messages and Zoom! I hope you have had a chance to connect with your teachers. They will continue to reach out to you! I know some are setting up Zoom on Google soon!

Again, our district is out at bus stops delivering breakfast and lunch!

I hope you all are practicing safe social distancing! I believe that it is the most important thing we can do to get through this situation and all be safe. Also, get outside and go for a walk!!!

This week, I plan to do Friday Funnies! Please email me school appropriate jokes and I'll try to tell some jokes!

On this day in 1954 RCA manufactured its 1st color TV set (12½" screen at \$1,000).

Those are your announcements for today...Take care and we miss you all greatly! Have a great day, Hawks!
